Systematic Transfer Plan

Systematic Transfer Plan helps you replicate a rupee cost averaging method on your Annualized Premium. Where you have chosen the “Systematic Transfer Plan” option, the Annualized/Single Premium received net of Premium Allocation Charge shall be allocated first to the Secure Plus Fund to purchase Units. Immediately thereafter and on each subsequent monthly anniversary, Fund Value of $[1/(13\text{-month number in the policy year})]$ of the Units available at the beginning of the month shall be Switched to Growth Super Fund automatically by cancelling Units in the Secure Plus Fund till availability of Units in the Secure Plus Fund, and purchasing Units in the Growth Super Fund.

E.g.:

Policy Month 1: $1/(13-1) = 1/12$ th of the Units to be switched

Policy Month 2: $1/(13-2) = 1/11$ th of the Units to be switched

Policy Month 11: $1/(13-11) = 1/2$ of the Units to be switched

Policy Month 12: $1/(13-12) =$ Balance Units to be switched

For Example: Assume number of Units in Secure Plus Fund in the first month is 120 units. The Amount switched from Secure Plus fund shall be $[120 / (13-1)] = 10 * NAV$ of the units in Secure Plus Fund at the date of switching. However, the number of units shall be purchased at the then prevailing NAV of the Growth Super Fund and hence they could be more or less than 10 units.

Systematic Transfer Plan is available only in policies with Annual Premium payment mode. It is also available with Single Pay policies.

There shall be no Switch Charge to affect Switches under the Systematic Transfer Plan option. During the period when Systematic Transfer Plan is in force, Partial Withdrawal of Units shall not be permitted from the Secure Plus Fund. You may opt out of or opt for the Systematic Transfer Plan option by giving a written notice to the Company. Once accepted, the request shall be effective on and from the Policy Anniversary following the receipt such request.

In case you fail to pay the due Annualized Premium within the Grace Period, the Systematic Transfer Plan opted for shall cease to apply and Annualized Premium received after the expiry of the Grace Period shall be allocated to the Growth Super Fund or any other fund of your choice. The Systematic Transfer Plan option shall be automatically applied for all future Annualized Premiums received thereafter but within the Grace Period, unless advised otherwise.

Secure Plus Fund

Fund Name	Fund Objective	Government Securities	Corporate Bonds	Money Market & Cash Instruments	Equity & Equity related securities	Risk Rating
Secure Plus Fund (SFIN: ULIF01628/04/09LIFESECP LS104)	The investment objective of the fund is to provide higher security of investment by way of higher proportion of investment in sovereign papers that carry an implicit guarantee for repayment of principal and interest from the Government of India. This fund is available only under Systematic Transfer Plan (STP) strategy.	60-100%	0-40%	0-40%	Nil	Low

Dynamic Fund Allocation

Dynamic Fund Allocation option is an investment strategy which in early part of your policy term invests in equity oriented funds and as your policy term progresses it shifts the fund allocation towards more conservative funds. You can opt for Dynamic Fund Allocation option only at the inception of policy. Under this option, assets under management shall be maintained amongst Growth Super Fund and Secure Fund in a pre-defined proportion that changes depending upon the years left to maturity as per the matrix below. Switching of existing Fund Value shall happen on the Policy Anniversary and Allocation of premium received amongst the Funds shall happen on the date of receipt of such premium or premium due date, whichever is later, in the proportion mentioned in the table below. You do not have an option to redirect premiums or effect unit switches during the period this option is in force. You may opt out of the “Dynamic Fund Allocation” option anytime during the Policy Term, which will then be effective from the next Policy Anniversary. Once opted out, “Dynamic Fund Allocation” cannot be opted again. However, after opting out of the Dynamic Fund Allocation option, you may exercise free Switches or Premium Redirection options to manage your Funds and maintain balance between risk & returns as per your risk appetite.

FLEXIBILITIES OFFERED

1 Switch

You may Switch between available Funds at any time during the Policy Term, subject to a minimum Switch amount of ₹ 5,000. Maximum of twelve (12) Switches are allowed in a Policy Year and they are free of charge. Following receipt of your written notice, we will redeem the Units in the Fund you wish to switch from and purchase Units in the Fund you wish to switch to.

We may at any time impose a complete or partial bar on switches, with prior approval from the Authority, for a time period not exceeding 30 days, if the Company considers that it is appropriate to do so in order to maintain the stability of a Fund or Funds or is necessary to protect the interest of the Policyholders. Such situation may arise

under extraordinary circumstances such as non-availability of market prices, occurrence of any catastrophe where the declaration of NAV is not possible.

You shall not be allowed to exercise this option during the period of discontinuance in first five years of the policy.

2 Premium Redirection

You may redirect your future Premiums between available Funds at any time by giving us a written notice before the premium due date. Your notice must quote your Policy Number and it must specify precisely the Fund(s) in which you wish to redirect the premiums along with the percentage of premium that you wish to allocate against each Fund. A maximum of six (6) Premium Redirections are allowed in a policy year and all are free of charge.

3 Partial Withdrawal

No Partial Withdrawals are allowed in the first five policy years and thereafter a maximum of two (2) Partial Withdrawals are allowed in a policy year. There is no charge on Partial Withdrawals. The minimum amount of Partial Withdrawal allowed per transaction is ₹ 5,000. In a policy year, the maximum amount that can be partially withdrawn is 50% of the Fund Value as on the date of partial withdrawal, subject to the Fund Value immediately after Partial Withdrawal being at least equal to 1 (One) Annualized Premium or 25% of Single Premium, as the case maybe, i.e., you may make two partial withdrawals in a policy year such that the summation of percentage of Fund Value withdrawn, is less than or equal to 50%.

E.g.: A Policyholder makes first partial withdrawal in a policy year of 20% of Fund Value. He may make a second partial withdrawal up to a maximum of $50\% - 20\% = 30\%$ of Fund Value, subject to the above conditions.

The Company may at any time impose a complete or partial bar on partial withdrawal, with prior approval from the Authority, for a time period not exceeding 30 days, if the Company considers that it is appropriate to do so in order to maintain the stability of a fund or funds or is necessary to protect the interest of the Policyholders. Such situation may arise under extraordinary circumstances such as non-availability of market prices, occurrence of any catastrophe where the declaration of NAV is not possible.

The Sum Assured will reduce to the extent of the partial withdrawals made during the two years period immediately preceding the death of the Life Insured. However, the sum assured shall be reduced by all the partial withdrawals made within two years before attaining age 60 and all the partial withdrawals made after attaining age 60 to determine the actual benefit payable on death.

4 Settlement Option

You may, at least fifteen (15) days prior to the Maturity Date, opt for a Settlement Option, pursuant to which the Company will continue to manage the Funds for you for a maximum period of five (5) years from the Maturity Date and make periodic payments. While opting for settlement option you will have to instruct us on settlement period (up to 5 years) and the frequency (monthly, quarterly, semiannual or annual) of payouts. Under settlement option, the balance number of Units in the Fund at the start of the settlement period will be divided in equal installments for payout over the settlement period.

During the settlement period, only Fund Management Charges shall continue to be levied and there shall be no risk cover. You shall continue to bear all investment risks. Units will be cancelled at the prevailing NAV to make periodic payments of the Fund Value. During the settlement period, you will not be entitled to affect Partial Withdrawal or exercise Switch options.

In case of the death of the Life Insured during the settlement period, the Fund Value, prevailing as on the date of intimation of death, will be paid. You may, at any time, opt out of the Settlement Option pursuant to which the Company shall close the Unit Account on the date of receipt of such request and pay the prevailing Fund Value.

SURRENDER/DISCONTINUANCE TERMS

What happens when you surrender the policy?

At any time during the Policy Term, you have the right to surrender the policy by advising the Company in writing.

A) Surrender within five years of Effective Date of the Policy (i.e. within the Lock-in Period)

In case you surrender the policy within the Lock-in-Period, the Company will credit the Fund Value by creation of units into the Discontinuance Policy Fund after deducting applicable Surrender / Discontinuance Charges.

At the expiry of five years from the effective date of the Policy (i.e. at the expiry of the Lock-in Period), the Company will close the Unit Account and pay you the value of units in the Discontinuance Policy Fund as at that date.

From the Date of Discontinuance, the risk cover under the policy will stop and no further charges will be levied by the Company other than the Fund Management Charge applicable on the Discontinuance Policy Fund, i.e. 0.5% p.a. currently.

In case the Life Insured dies anytime after the Date of Discontinuance, the Company shall pay the Fund Value as on the date of death.

B) Surrender after five years of Effective Date of the Policy (i.e. after the completion of Lock-in Period)

The Company shall close the Unit Account and pay the Fund Value of the Units in the Segregated Fund(s) on the date of receipt of surrender request and the Policy shall terminate thereafter.

What happens when you discontinue paying the Premiums? *(not applicable to Single Pay Variant)*

In case the premium is not paid by the premium due date, a Grace Period of 30 days from the due date of first unpaid premium will be allowed. During this Grace Period, the risk cover will continue and all charges under the policy will continue to apply.

In case the premium is not paid by the expiry of the Grace Period, the following provisions will apply:

A) Discontinuance of Payment of Premium during First Five Policy Years (Lock-in Period)

A.1 The Notice Period

In case the premium is not paid by the expiry of the Grace Period, the Company will, within 15 days of the expiry of the Grace Period, serve a notice upon you to exercise one of the below options in writing within 30 days (Notice Period) of the receipt of such notice:

- a. Revive the policy within a period of two years from the Date of Discontinuance of the policy.
- b. Complete Withdrawal (Surrender) from the policy without any risk cover.
In case Complete Withdrawal option has been exercised by you, the provisions relating to Surrender of the policy within the Lock-in Period will be applicable.

It should be noted that in case you have not exercised any option during the Notice Period, you will be deemed to have chosen to completely withdraw from the policy (as per A.1.b above).

'Date of Discontinuance' means the date on which the Company receives the intimation from you about the Discontinuance of the policy or Complete Withdrawal (Surrender) of the policy or expiry of the notice period, whichever is earlier.

During the period up to the Date of Discontinuance, the risk cover will continue and all charges under the policy will continue to apply.

If you have either:

- exercised the option to revive the policy within the period of two years (as per A.1.a above); or
- exercised the option to completely withdraw from the policy (as per A.1.b above); or
- not paid the due premiums by the expiry of the Notice Period and have not exercised any of the options mentioned above,

then, on the Date of Discontinuance, the Company will credit the Fund Value, by creation of units, into the Discontinuance Policy Fund after deducting applicable Discontinuance Charges. The risk cover under the

policy will stop and no further charges will be levied by the Company other than the Fund Management Charge applicable on the Discontinuance Policy Fund, i.e. 0.5% p.a. currently.

The proceeds of the policy in such case, except when you have chosen to revive the policy (as per A.1.a above); will be paid to you at the expiry of the Lock-in Period. In case you have chosen to revive the policy (as per A.1.a above), the provisions as per A.2 below will be applicable.

A.2 The Revival Period

In case you have chosen the option in writing to revive the policy within two years (as per A.1.a above), you will have the Revival Period of two years from the Date of Discontinuance to exercise any of the following options in writing:

a) **Revive the policy:** This option will be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

On revival, the risk cover under the policy as at the Date of Discontinuance will be restored and the Fund Value of the Units in the Discontinuance Policy Fund as at the date of revival shall be credited back into the Fund(s) chosen by you. The Discontinuance / Surrender Charges deducted will also be added back to the Unit Account.

The amount of premium paid on revival, less any Premium Allocation Charge attributable to the premium paid on revival, and according to the ratio in which the premium should be allocated in various Funds, as specified by you, will be used to purchase Units at the prevailing NAV determined as on the date of revival.

An amount equal to the Policy Administration Charge falling due between the Date of Discontinuance and the date of revival will be levied on revival by cancelling Units in the Unit Account at their NAV.

b) **Complete Withdrawal (Surrender) from the policy without any risk cover.**

In case Complete Withdrawal option has been exercised by you, then, on the Date of Discontinuance, the following shall be applicable:

- In case the Lock-in Period has not expired, the provisions relating to surrender of policy within the Lock-in Period shall be applicable.
- In case the Lock-in Period has expired, the provisions relating to surrender of policy after the Lock-in Period shall be applicable.

In case you do not exercise any option during the Revival Period, then at the expiry of the Revival Period, you will be deemed to have chosen to completely withdraw the policy (as per A.2.b above).

During the period up to the expiry of the Revival Period or earlier exercise of any of the above options, the policy will continue to be in Discontinuance mode with no risk cover being applicable and no further charges being levied by the Company other than the Fund Management Charge applicable on the Discontinuance Policy Fund, i.e. 0.5% p.a. currently.

In case the Life Insured dies anytime after the Date of Discontinuance, the Company shall pay the Fund Value as on the date of death.

During the period of discontinuance of the policy, the Policyholder shall not be allowed to exercise Switches or Partial Withdrawals.

B) In case of Discontinuance of payment of premium post first five policy years (i.e. after the expiry of the Lock-in Period)

B.1 The Notice Period

In case the premium is not paid by the expiry of the Grace Period, the Company will, within 15 days of the expiry of the Grace Period, serve a notice upon you to exercise one of the below options in writing within 30 days (Notice Period) of the receipt of such notice:

- a) **Revive the policy within a period of two years** from the Date of Discontinuance of the Policy.
- b) **Complete Withdrawal (Surrender) from the policy without any risk cover.**

In case you choose Complete Withdrawal option, the provisions relating to surrender of the policy after completion of five policy years will be applicable.

c) **Convert the policy into a Paid-up policy**

In case you choose the Paid-up option, the policy will continue without any further premiums payable till the end of Policy Term and all applicable charges, i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge, will continue to be levied. In this case, the Sum Assured under the policy will be reduced by the proportion of total premiums paid by you to the total premiums payable as per the terms and conditions of the policy. This reduced Sum Assured will be called the 'Paid-up Sum Assured'.

You will have the option to revive the paid up policy within a period of two years from the Date of Discontinuance. The revival of the policy will, however, be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- The Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

In case you do not exercise any of the above mentioned options within the Notice Period, you will, by default, be treated to have chosen to completely withdraw from the policy (as per B.1.b above).

'Date of Discontinuance' means the date on which the Company receives the intimation from you about the Discontinuance of the policy or Complete Withdrawal (surrender) of the policy or expiry of notice period, whichever is earlier.

During the period up to the Date of Discontinuance, the risk cover will continue and all charges under the policy will continue to apply.

B.2 The Revival Period

In case you have chosen the option to revive the policy within two years (as per B.1.(a) above), you will have the Revival Period of two years from the Date of Discontinuance to exercise any of the following options in writing:

a) **Revive the policy:** This option will be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and

- You paying the Company all overdue contractual premiums.

In case you do not exercise any option during the Revival Period, then at the expiry of the Revival Period, you will be deemed to have chosen to completely withdraw from the policy (as per B.2.b above).

- (2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees of the insured the grounds and materials on which such decisions are based.

Explanation I – For the purposes of this sub-section, the expression “fraud” means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:

- b) the active concealment of fact by the insured having knowledge or belief of the fact;
- c) any other act fitted to deceive; and
- d) any such act or omission as the law specially declares to be fraudulent.

Explanation II – Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

- (3) Notwithstanding anything contained in sub-section (2) no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that such mis-statement of or suppression of a material fact are within the

- (4) A policy of the life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees of the insured the grounds and material on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees of the insured within a period of ninety days from the date of such repudiation

Explanation – For the purposes of this sub-section, the mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

- (5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

Prohibition of Rebates: Section 41 of the Insurance Act, 1938 as amended from time to time states:
