#### **How Do I add family members to the plan?**

At the time of purchasing the policy, there is the option to purchase cover for family (you, your spouse and children) or take cover for your family and parental cover (parents of policy holder) as well. Once proposed, the cover for family cannot be extended to parents, but there is flexibility to add future members of the family to extend the cover to them. The below terms are indicative terms for addition and deletion of cover on the lives covered in floater plan.

- While proposing cover for your family, you must propose insurance on the lives of all your family members at the stage of proposal. If you opt for cover for parents in addition to cover for family, then insurance on the lives of both the living parents must be proposed at the stage of proposal. Otherwise the policy will be cancelled and premiums received will be forfeited.
- If subsequent to the issuance of policy, you get married, you must propose insurance on the life of your spouse within a period of 1 year from the date of your marriage otherwise insurance will not be offered to spouse and future family members.
- In case, you marry a person who has children from previous marriage, you must propose insurance on your spouse and such children within a period of one year of the date of your marriage.
- When you are blessed with a child, you may propose cover on the life of the child at any time within a period of 90 days from the date of birth of the child in which case the proposal for insurance on the life of the child shall be underwritten by the company without any medical underwriting.
- In case you propose on the life of the child after the expiry of 90 days from the date of birth of the child but before the expiry of 1 year from the date of his birth, else insurance will not be offered to such child and any future children. (The insurance will be subject to evidence of insurability)

- f. A child born to a mother of age below 45 years shall be insured for surgeries undertaken for correction of congenital disorders and defects till such time the child attains the age of 18 years subject to the condition that the child is born to the mother after the mother completes at least 1 year of continuous insurance under this policy preceding the date of birth of the child.
- g. Children living at proposal stage and legally adopted children are not insured for surgeries undertaken for correction of congenital disorders and defects
- h. You may propose insurance on the life of a legally adopts a child only after a period of 1 year from the date of adoption. The insurance will be subject to medical underwriting.
- i. The insurance on the life of the spouse shall automatically terminate if the spouse is divorced.
- j. In case the company declines insurance for any reason on the life of policyholder's spouse, then insurance on the life of children shall be subject to medical underwriting.
- k. In case of death of policyholder, the company may allow the spouse to be substituted and be treated as the policyholder. The premium in respect of the spouse, who is substituted and treated as the policyholder, shall be revised, however benefit structure for the spouse shall remain unchanged. The policyholder shall have a right to propose insurance on the life of his spouse if he remarries and on the life of their future children from such marriage or from the previous marriage but not on the lives of his/her parents. The company may at its sole discretion and subject to receipt of evidence of insurability provide insurance on such members. If the spouse does not agree to continue the policy and be substituted and treated as policyholder or if the spouse is not living, the policy shall terminate.

**Statutory Impositions:** Premiums payable and benefits secured under your policy will be subject to applicable statutory levy, cess and taxes including service tax at the prevailing rates and Policyholder will be responsible for paying these statutory impositions.

#### **Prohibition of Rebates:**

Section 41 of the Insurance Act, 1938 states: no person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives, or property, in India, any rebate of whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of insurer. A fine of ` 500 is applicable in case of non adherence to the same along with other applicable provision of law.

### **Free Look Period**

The policyholder has a period of 15 days from the date of receipt of the policy to review the terms and conditions of the policy and where the policyholder disagrees with any of those terms or conditions, he has the option to return the policy stating the reasons for his objections, upon which he shall be entitled to refund of the premium paid subject to deduction of the proportionate risk premium for the period of cover and the expenses incurred by the company on medical examination and on account of stamp duty. However, if any claim has been filed during free look period, the policy will not be accepted for cancellation.

### **Termination Of Insurance**

This insurance shall terminate on:

- The maturity date.
- The expiry of the period of revival.
- Death of life insured.
- Exhaustion of maximum benefit payable under the policy.

Non-Disclosure: Section 45 of the Insurance Act, 1938 states:

"No policy of life insurance effected after the expiry of two years from the date on which it was effected be called in question by an insurer on the ground that a statement made in the proposal form for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the Policyholder and that the Policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose.

Provided that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal."

### **Nomination & Assignment:**

If a policy has been taken on your own life, You can nominate a person to receive benefits secured under the policy. Such nomination only indicates the person who is authorized to receive the benefits and to give valid discharge to us of our liability under this policy. Change in nomination, if any, may be made by You at any time during the Policy Term and the same must be registered with Us.

You may assign the entire policy i.e. the benefits, rights and title under the policy in favor of the person named by you.

**Pre-existing condition**

A condition, prevailing at or prior to the effective date or the date of revival of the policy, having symptoms of an illness or injury which would have caused any ordinary person to seek or receive treatment, diagnosis or care, or medical advice from a registered medical practitioner or undergo medical tests or investigations or hospitalisation or surgery. Any treatment or hospitalisation or surgery for any illness or injury arising out of or connected with a pre-existing condition shall be considered as part of the pre-existing condition. **Notes:**

1. It does not purport to be a contract of insurance and does not in any way create any rights and/or obligations. All of the above benefits are payable subject to terms and conditions of the Policy.
2. Benefits are available provided all premiums are paid, when they are due.
3. Service Tax and Education Cess would be levied as per applicable laws and would be to the account of the policyholder.
4. Insurance is the subject matter of solicitation.
5. Please understand the product feature and discuss with your agent advisor or insurance intermediary and read this sales aid in conjunction with the product brochure to understand the Terms and Conditions carefully before concluding a sale.

**Misstatement of age and gender:**

- a. The premiums are based on the age and gender of the life insured. Without prejudice to the full disclosure and incontestability provisions, the company may at its sole discretion:
- b. In case the life insured's age at the time of issuance of policy is higher than the age declared or gender is mis-stated, adjust the premium and / or benefits payable to those applicable had the true age or gender been stated at issue and the policy would have been issued based on our underwriting rules at that time; and
- c. In case the life insured's true age at the time of issuance of the policy is higher than the maximum issue age limit under the policy, cancel the policy and forfeit premiums(s) received.
