Dynamic Fund Allocation

Dynamic Fund Allocation option is an investment strategy which in early part of your Policy Term invests in equity oriented funds and as your Policy Term progresses it shifts the fund allocation towards more conservative funds. You can opt for Dynamic Fund Allocation option only at the inception of policy. Under this option, assets under management shall be maintained amongst Growth Super Fund and Secure Fund in a pre-defined proportion that changes depending upon the years left to maturity as per the matrix below. Switching of existing Fund Value shall happen on the Policy Anniversary and Allocation of premium received amongst the Funds shall happen on the date of receipt of such premium or premium due date, whichever is later, in the proportion mentioned in the table below. You do not have an option to redirect premiums or effect Unit switches during the period this option is in force. You may opt out of the “Dynamic Fund Allocation” option anytime during the Policy Term, which will then be effective from the next Policy Anniversary. Once opted out, “Dynamic Fund Allocation” cannot be opted again. However, after opting out of the Dynamic Fund Allocation option, you may exercise free Switches or Premium Redirection options to manage your Funds and maintain balance between risk & returns as per your risk appetite.

Dynamic Fund Allocation		
Number of Years to Maturity	Assets under management to be maintained under the Growth Super Fund	Assets under management to be maintained under the Secure Fund
11 – 15 years	70%	30%
6 – 10 years	50%	50%
0 – 5 years	30%	70%

Benefits

Maturity Benefit:

On maturity, you will be eligible to receive an amount, provided settlement option has not been exercised, equal to the Fund Value, where the Fund Value will be calculated as:

Fund Value = Summation of Units accumulated in Fund(s) X NAV of respective Fund(s) as on the Maturity Date

Please Note : In case the Maturity Date is a non working day for the Company or markets then next working day's NAV will be applicable.

For Example, at sample ages:

Age of Life Assured	Annualised Premium (in ₹)	Policy Term	Premium Payment Term	Assumed rates of return (p.a.)*	Fund Value at Maturity(in ₹)
35	75,000	15	10	8%	13,06,024
35	75,000	15	10	4%	8,54,313
30	50,000	15	10	8%	8,82,829
30	50,000	15	10	4%	5,79,222
35	75,000	15	7	8%	9,60,906
35	75,000	15	7	4%	5,89,622
30	50,000	15	7	8%	6,52,750
30	50,000	15	7	4%	4,02,761

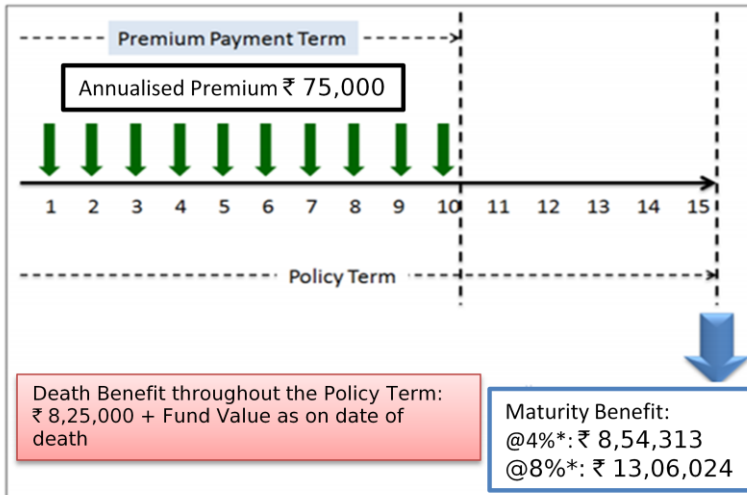

Premium Payment Mode: Annual; Standard life; Fund chosen: Balanced Fund

These are not guaranteed and they are not the upper or lower limits of returns of the Funds selected in your policy, as the performance of the Funds is dependent on a number of factors including future investment performance. FLEXIBILITIES OFFERED

1. Switch:

You may Switch Units between available Funds at any time during the Policy Term, subject to a minimum Switch amount of ₹ 5,000. Maximum of twelve (12) Switches are allowed in a policy year and they are free of charge. Following receipt of your written notice, we will redeem the Units in the Fund you wish to switch from and purchase Units in the Fund you wish to switch to.

We may at any time impose a complete or partial ban on switches, with prior approval from the Authority, for a time period not exceeding 30 days, if the Company considers that it is appropriate to do so in order to maintain the stability of a Fund or Funds or is necessary to protect the interest of the Policyholders. Such situation may arise under extraordinary circumstances such as non-availability of market prices, occurrence of any catastrophe where the declaration of NAV is not possible.

You shall not be allowed to exercise this option during the period of discontinuance.

2. Premium Redirection:

You may redirect your future Premiums between available Funds at any time by giving us a written notice. Your notice must quote your Policy Number and it must specify precisely the Fund(s) in which you wish to redirect the premiums along with the percentage of premium that you wish to allocate against each Fund. A maximum of six (6) Premium Redirections are allowed in a policy year and all are free of charge.

3. Partial Withdrawal:

No Partial Withdrawals are allowed in the first five policy years and thereafter a maximum of two Partial Withdrawals are allowed in a policy year. There is no charge on Partial Withdrawals. The minimum amount of Partial Withdrawal allowed per transaction is ₹ 5,000. In a policy year, the maximum amount that can be partially withdrawn is 50% of the Fund Value as on the date of partial withdrawal, subject to the Fund Value immediately after Partial Withdrawal being at least equal to One (1) Annualised Premium, i.e. you may make two partial withdrawals in a policy year such that the summation of percentage of Fund Value withdrawn, is less than or equal to 50%.

E.g.: A Policyholder makes first partial withdrawal in a policy year of 20% of Fund Value. He may make a second partial withdrawal up to a maximum of $50\% - 20\% = 30\%$ of Fund Value, subject to the above conditions.

The Company may at any time impose a complete or partial ban on partial withdrawal, with prior approval from the Authority, for a time period not exceeding 30 days, if the Company considers that it is appropriate to do so in order to maintain the stability of a fund or funds or is necessary to protect the interest of the Policyholders. Such situation may arise under extraordinary circumstances such as non-availability of market prices, occurrence of any catastrophe where the declaration of NAV is not possible.

4. Settlement Option:

You may, at least fifteen (15) days prior to the Maturity Date, opt for a Settlement Option, pursuant to which the Company will continue to manage the Funds for you for a maximum period of five (5) years from the Maturity Date and make periodic payments. While opting for settlement period you will have to instruct us on settlement period (upto 5 years) and the frequency (monthly, quarterly, semi-annual or annual) of payouts. Under settlement option, the balance number of Units in the Fund at the start of the settlement period will be divided in equal installments for payout over the settlement period.

During the settlement period, only Fund Management Charges, shall continue to be levied and there shall be no risk cover. You shall continue to bear all investment risks. Units will be cancelled at the NAV prevailing on the date of payout in order to make periodic payments of the Fund Value. During the settlement period, you will not be entitled to affect Partial Withdrawal or exercise Switch options.

In case of death of the Life Insured during the settlement period, the Fund Value, prevailing as on the date of intimation of death, will be paid. You may, at any time, opt out of the Settlement Option pursuant to which the Company shall close the Unit Account on the date of receipt of such request and pay the prevailing Fund Value.

SURRENDER/DISCONTINUANCE TERMS

What happens when you surrender the policy ?

At any time during the Policy Term, you have the right to surrender the policy by advising the Company in writing.

A) Surrender within five years of Effective Date of the Policy (i.e. within the Lock-in Period)

In case you surrender the policy within the lock-in-period, the Company will credit the Fund Value by creation of Units into the Discontinued Policy Fund after deducting applicable Surrender / Discontinuance Charges.

At the expiry of five years from the effective date of the Policy (i.e. at the expiry of the Lock-in Period), the Company will close the Unit Account and pay you the value of Units in the Discontinued Policy Fund as at that date.

From the Date of Discontinuance, the risk cover under the policy will stop and no further charges will be levied by the Company other than the Fund Management Charge applicable on the Discontinued Policy Fund i.e. 0.5% per annum currently.

In case the Life Insured dies anytime after the Date of Discontinuance, the Company shall pay the Fund Value as on the date of death.

B) Surrender after five years of Effective Date of the Policy (i.e. after the completion of Lock-in Period)

The Company shall close the Unit Account and pay the Fund Value of the Units in the segregated Fund(s) on the date of receipt of surrender request and the policy shall terminate thereafter.

What happens when you discontinue paying the Annualised Premiums ?

In case the premium is not paid by the premium due date, a Grace Period of 30 days from the due date of first unpaid premium will be allowed. During this Grace Period, the risk cover will continue and all charges under the policy will continue to apply.

In case the premium is not paid by the expiry of the Grace Period, the following provisions will apply:

A) Discontinuance of Payment of Premium during First Five Policy Years (Lock-in Period)

A.1 The Notice Period

In case the premium is not paid by the expiry of the Grace Period, the Company will, within 15 days of the expiry of the Grace Period, serve a notice upon you to exercise one of the below options in writing within 30 days (Notice Period) of the receipt of such notice:

- a. **Revive the policy** within a period of two years from the Date of Discontinuance of the policy.
- b. **Complete Withdrawal** (Surrender) from the policy without any risk cover.

In case Complete Withdrawal option has been exercised by you, the provisions relating to Surrender of the policy within the Lock-in Period will be applicable.

It should be noted that in case **you have not exercised any option** during the Notice Period, you will be **deemed to have chosen to completely withdraw** from the policy (as per A.1.b above).

‘Date of Discontinuance’ means the date on which the Company receives the intimation from you about the Discontinuance of the policy or Complete Withdrawal (Surrender) of the policy or expiry of the notice period, whichever is earlier.

During the period up to the Date of Discontinuance, the risk cover will continue and all charges under the policy will continue to apply.

If you have either:

- exercised the option to revive the policy within the period of two years (as per A.1.a above); or
- exercised the option to completely withdraw from the policy (as per A.1.b above); or
- not paid the due premiums by the expiry of the Notice Period and have not exercised any of the options mentioned above,

then, on the Date of Discontinuance, the Company will credit the Fund Value, by creation of Units, into the Discontinued Policy Fund after deducting applicable Discontinuance Charges. The risk cover under the policy will stop and no further charges will be levied by the Company other than the Fund Management Charge applicable on the Discontinued Policy Fund.

The proceeds of the policy in such case, except when you have chosen to revive the policy (as per A.1.a above); will be paid to you at the expiry of the Lock-in Period. In case you have chosen to revive the policy (as per A.1.a above), the provisions as per A.2 below will be applicable.

A.2 The Revival Period

In case you have chosen the option in writing to revive the policy within two years (as per A.1.a above), you will have the Revival Period of two years from the Date of Discontinuance to exercise any of the following options in writing:

a) **Revive the policy:** This option will be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- The Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

On revival, the insurance cover under the policy as at the Date of Discontinuance will be restored and the Fund Value of the Units in the Discontinuance Policy Fund at the date of revival shall be credited back into the Fund(s) chosen by you. The Discontinuance / Surrender Charges deducted will also be added back to the Unit Account.

The amount of premium paid on revival, less any Premium Allocation Charge attributable to the premium paid on revival, and according to the ratio in which the premium should be allocated in various Funds, as specified by you, will be used to purchase Units at the NAV determined as on the date of revival.

An amount equal to the Policy Administration Charge falling due between the Date of Discontinuance and the date of revival will be levied on revival by cancelling Units in the Unit Account at their NAV.

b) **Complete Withdrawal (Surrender) from the policy without any risk cover.**

In case Complete Withdrawal option has been exercised by you, then, on the Date of Discontinuance, the following shall be applicable:

- In case the Lock-in Period has not expired, the provisions relating to surrender of policy within the Lock-in Period shall be applicable.
- In case the Lock-in Period has expired, the provisions relating to surrender of policy after the Lock-in Period shall be applicable.

In case you do not exercise any option during the Revival Period, then at the expiry of the Revival Period, you will be deemed to have chosen to completely withdraw the policy (as per A.2.b above).

During the period up to the expiry of the Revival Period or earlier exercise of any of the above options, the policy will continue to be in Discontinuance mode with no risk cover being applicable and no further charges being levied by the Company other than the Fund Management Charge applicable on the Discontinued Policy Fund i.e. 0.5% per annum currently.

In case the Life Insured dies anytime after the Date of Discontinuance, the Company shall pay the Fund Value as on the date of death and any surrender/discontinuance charges deducted shall be added back to the Fund in case you have not exercised the complete withdrawal (surrender) option.

During the period of discontinuance of the policy, you shall not be allowed to exercise Switches or Partial Withdrawals.

B) In case of Discontinuance of payment of premium post first five policy years (i.e. after the expiry of the Lock-in Period)

B.1 The Notice Period

In case the premium is not paid by the expiry of the Grace Period, the Company will, within 15 days of the expiry of the Grace Period, serve a notice upon you to exercise one of the below options in writing within 30 days (Notice Period) of the receipt of such notice:

- a) **Revive the policy** within a period of two years from the Date of Discontinuance of the Policy.
- b) **Complete Withdrawal** (Surrender) from the policy without any risk cover.

In case you choose Complete Withdrawal option, the provisions relating to surrender of the policy after completion of five policy years will be applicable.

- c) **Convert the policy into a Paid-up policy**

In case you choose the Paid-up option, the policy will continue without any further premiums payable till the end of Policy Term and all applicable charges (i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge) will continue to be levied. In this case, the Sum Assured under the policy will be reduced by the proportion of total premiums paid by you to the total premiums payable as per the terms and conditions of the policy. This reduced Sum Assured will be called the 'Paid-up Sum Assured'.

You will have the option to revive the paid up policy within a period of two years from the Date of Discontinuance. The revival of the policy will, however, be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- The Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

The amount of premium paid on revival, less any Premium Allocation Charge attributable to the premium paid on revival, and according to the ratio in which the premium should be allocated in various Funds, as specified by you, will be used to purchase Units at the NAV determined as on the date of revival.

In case you **do not exercise any of the above mentioned options** within the Notice Period, you will, by default, be **treated to have chosen to completely withdraw** from the policy (as per B.1.b above).

'Date of Discontinuance' means the date on which the Company receives the intimation from you about the Discontinuance of the policy or Complete Withdrawal (surrender) of the policy or expiry of notice period, whichever is earlier.

During the period up to the Date of Discontinuance, the risk cover will continue and all charges under the policy will continue to apply.

B.2 The Revival Period

In case you have chosen the option to revive the policy within two years (as per B.1.(a) above), you will have the Revival Period of two years from the Date of Discontinuance to exercise any of the following options in writing:

- a) **Revive the policy:** This option will be subject to following conditions:
 - You giving the Company a written request to revive the policy; and

- The Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

The amount of premium paid on revival, less any Premium Allocation Charge attributable to the premium paid on revival, and according to the ratio in which the premium should be allocated in various Funds, as specified by you, will be used to purchase Units at the NAV determined as on the date of revival.

b) Complete Withdrawal (Surrender) from the policy without any risk cover.

In case you choose Complete Withdrawal option, the provisions relating to surrender of the policy after completion of five policy years will be applicable.

c) Convert the policy into a Paid-up policy

In case you choose the Paid-up option, the policy will continue without any further premiums payable till the end of Policy Term and all applicable charges (i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge) will continue to be levied. In this case, the Sum Assured under the policy will be reduced by the proportion of total premiums paid by you to the total premiums payable as per the terms and conditions of the policy. This reduced Sum Assured will be called the 'Paid-up Sum Assured'.

You will have the option to revive the paid up policy within a period of two years from the Date of Discontinuance. The revival of the policy will, however, be subject to following conditions:

- You giving the Company a written request to revive the policy; and
- The Life Insured producing evidence of insurability at your own cost acceptable to the Company as per the Board approved underwriting policy of the Company; and
- You paying the Company all overdue contractual premiums.

The amount of premium paid on revival, less any Premium Allocation Charge attributable to the premium paid on revival, and according to the ratio in which the premium should be allocated in various Funds, as specified by you, will be used to purchase Units at the NAV determined as on the date of revival.

In case you do not exercise any option during the Revival Period, then at the expiry of the Revival Period, you will be deemed to have chosen to completely withdraw from the policy (as per B.2.b above).

During the period up to the expiry of the Revival Period or earlier exercise of any of the above options, the policy will continue with full risk cover and all applicable charges (i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge) will be levied during the Revival Period.

This Policy shall terminate immediately upon the earlier of the following events:

Full Disclosure & Incontestability:

We draw your attention to Section 45 and statutory warning under Section 41 of the Insurance Act 1938 as amended from time to time – which reads as follows:

Section 45 of the insurance Act, 1938 as amended from time to time states that:

No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy whichever is later.

A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees of the insured the grounds and materials on which such decisions are based.

Explanation I – For the purposes of this sub-section, the expression “fraud” means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:

- a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b) the active concealment of fact by the insured having knowledge or belief of the fact;
- c) any other act fitted to deceive; and
- d) any such act or omission as the law specially declares to be fraudulent.

Explanation II – Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

Notwithstanding anything contained in sub-section (2) no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer:

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the member is not alive.

Explanation – A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

A policy of the life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees of the insured the grounds and material on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees of the insured within a period of ninety days from the date of such repudiation

Explanation – For the purposes of this sub-section, the mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

Prohibition of Rebates: Section 41 of the Insurance Act, 1938 as amended from time to time states:

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer:

Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bona fide insurance agent employed by the insurer.

Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.
